

Dear Republican Neighbor,

Thank you for taking the time out of your busy schedule to attend Precinct Caucus. Tonight is the beginning of the Red Wave that is going to sweep Minnesota, and the nation, this year!

It's an honor to serve as your State Representative at the Capitol. Today I am asking for your support as I seek reelection in November.

Last session, I stood on the frontlines as Deputy Minority Leader of the Republican caucus. I fought every day to make sure Democrats didn't raise your taxes or defund the police. When the Minnesota Sentencing Guidelines Commission sought to reduce sentences for repeat criminals, I stood alongside advocates, raised the alarm, testified at the hearing and the Commission delayed action. For almost two years I showed up every month to call out and vote down the destructive emergency powers held by Governor Walz. I fought and voted to ban vaccine mandates in MN. ***I promise to continue fighting for the issues that matter most to you: supporting our law enforcement community and keeping our communities safe, making sure parents' voices are heard in the classroom, standing up for liberty and supporting the right to make personal medical decisions, and providing tax relief for all Minnesotans.***

For too long, our state has been controlled by out of touch Democrats in St. Paul. While Minneapolis burned and crime skyrocketed, far left politicians pledged to defund the police. When your kids were kept home during distance learning, Democrats ignored your concerns about political indoctrination in the classroom. And while you paid more at the pump and grocery store, the DFL sought to raise your taxes.

Minnesotans like us are done with the nonsense. That is why we are here tonight, to make sure our voices are heard. We make Minnesota Red tonight, but I need your help to do that. ***I need your support and endorsement to return to St. Paul as your Representative and a part of the Republican Majority.***

This Precinct Caucus is only the beginning. Republicans are going to take back the House and win big across the state in November. Thank you for volunteering your time and energy to be a part of the Republican comeback.

Sincerely,

Representative Anne Neu Brindley
House District 32B
