

Dear Friends, Patriots and Fellow Americans:

My name is Lynne Torgerson. I am running for Minnesota Attorney General, to remove Keith Ellison from government permanently. I am the person to beat Keith Ellison. Keith Ellison has been associated with CAIR, the Council on American Islamic Relations (CAIR was a named, unindicted coconspirator to funding terrorism in the 2008 Holy Land Foundation Trial in Texas), Louis Farrakhan and the Nation of Islam.

I am a Christian. I am a Patriot. I am a Trump supporter.

I am experienced and successful. I have had my own successful law practice for over 25 years. After law school, I worked for the United States District Court, The Honorable Magistrate Judge Ralph Geffen. I have been protecting Constitutional Rights for over 25 years. As one of the top Second Amendment lawyers, I have won gun rights cases in 36 different counties in the State of Minnesota, as well as the Minnesota Court of Appeals. In November 2021, I filed a Petition for Certiorari with the United States Supreme Court, seeking to strike down the carry permit requirement statute.

I was Minneapolis City Director for Christians United for Israel for 5 years.

Will you help give me the opportunity to defeat Radical Leftist Keith Ellison by making a contribution to my campaign? Any amount from \$5, to the legal maximum of \$2500 per person, or \$5000 per couple, will help support our righteous cause.

The agenda of The Left is running amok, and must be stopped.

I stand for FREEDOM.

I stand for MEDICAL FREEDOM. I will work to get the vaccine mandates struck down as unconstitutional.

I will work:

to eliminate **Governor Walz' executive orders.**

to keep **businesses open**, business licenses, and not sue businesses for opening their doors to make a living.

to get the **pipeline** re-opened.

to protect your **Second Amendment rights** to keep and bear arms.

to **support the police**, not sue them (not like Keith Ellison).

to **keep schools open**, and, **eliminate mandatory masking** of children.

to eliminate **voter fraud** and investigate the voting machines.

to protect **religious freedom.**

to **stop illegal immigration**, and prevent illegal immigrants from coming to Minnesota, and remove those here.

to **protect landlords** to be able to collect rent, to which they are legally entitled, and to evict bad tenants.

to **allow doctors to make medical decisions**, and to allow more than more treatment protocol for COVID, to include hydroxychloroquine, ivermectin, and the monoclonal treatments.

to **promote racial harmony** and eliminate Critical Race Theory.

The Left is seeking to destroy the United States of America. I will work to oppose the agendas of The Left.

I should also note that I am:
