

WARDLOW
for Attorney General

Dear Caucus Attendees,

My name is Doug Wardlow, and I am running to be your Republican endorsed candidate for Minnesota Attorney General. I was honored to earn your endorsement in 2018. That year, our campaign earned the most votes ever for a GOP candidate in a midterm election in Minnesota. We won every swing county and outperformed the top of the ticket by 8%.

After watching the riots in Minneapolis in 2020 and getting many calls from grassroots leaders, I decided that I had to continue the fight. I am running hard to earn your endorsement and defeat Keith Ellison once and for all.

I am a constitutional lawyer. I have dedicated my legal career to defending our fundamental freedoms. For several years, I worked for Alliance Defending Freedom, a Christian, non-profit law firm, fighting for free speech and religious freedom in cases across the country. I am the only candidate who has the courtroom and litigation-management experience to take over the office of Attorney General, overhaul it, and do what is necessary to save our state.

My vision for Minnesota is simple. As your Attorney General, I will:

- support law enforcement and restore law and order;
- defend our constitutional rights and fight federal overreach;
- stand up for medical freedom and against vaccine mandates;
- investigate and prosecute voter fraud;
- sue Big Tech and break them up;
- stand up for parents' right to control their children's education;
- stop critical race theory in its tracks; and
- make sure violent criminals are prosecuted aggressively.

It's important that we nominate a candidate who can win. I've proven that I can win in the suburbs. In fact, we had the strongest numbers of any statewide candidate in recent memory in suburban counties. Our message also resonated in

greater Minnesota, where I was blessed to enjoy levels of support similar to President Donald Trump in his 2016 campaign.

It's also important that we have a candidate that is a true Conservative Outsider and NOT beholden to donors and special interest groups. I'm running to represent the grassroots, not establishment donors. I'm the only candidate in this race who has a track record of standing up to the establishment and fighting hard for Conservative values, and I'll continue to be a Conservative warrior as your Attorney General.

Friends, this is Minnesota's time for choosing. Do we want a state where our kids can be safe? Do we want a state where we know our vote counts? Or do we want a state that is repeatedly in the national news for lawlessness, riots, and violence?

I believe Minnesotans are ready for change. Let's fight back, win in 2022, and save Minnesota. Together, we can restore law and order, prosecute violent criminals, secure our elections, and defend our constitutional rights.

Thank you for engaging in the political process. Patriots like you are the backbone of the fight to save our country from the radical left. I'm honored to fight alongside you, and I'd be honored to have your support.

For freedom and the Constitution,

Doug Wardlow
